NOTICE

This is to inform all candidates who have registered themselves in the Counseling for Post Basic B Sc (Nursing) and M Sc (Nursing) courses and duly filled in their choices to visit the Counseling portal of the University to fill in an option that is available on line in it.

This option is related to up gradation of their seats through second round of counseling. Failing to exercise this option in the designated portal would be construed as the candidate is not willing to upgrade her seat even if available through the counseling process.
