

ANNUAL REPORT 2022
SUMMARY

The West Bengal University of health sciences

Mission

Creating, upholding and developing an intellectual, philosophical, academic and physical environment conducive to free flow of ideas and exchange of information with all the centres of excellence in the country and abroad.

Goal

To emerge as a Centre of Excellence & leader in the field of Health Sciences Education, research & health care delivery.

To bridge the gap between demands & supply for specialized trained manpower in medical & allied health sciences.

To provide quality assurance in Health Sciences education by Integration of teaching, research related to medicine & allied sciences through transparent system of good community.

To ensure better patient care through affordable, accessible services to community

Vision

Medical education scenario globally has witnessed a significant change in approach and a remarkable growth. Higher education in India too, has readily adapted to the global demands and every institution has geared up to meet the global challenges by harnessing the latest technologies in education front. The move towards interdisciplinary studies, research based and interactive learning with technology integration have opened up several options as well as created multiple challenges. India is at a juncture where a huge population of young men and women are opting for higher education. In the wake of new technologies of education in India, the major focus is on creating an optimized and vibrant platform for quality in knowledge enhancement with an objective to build up core competence in students integrating knowledge with skills on the foundation of ethics and values.

A strong believer and practitioner of the dictum "Knowledge is Power", the University has been on the path of delivering quality education by developing the young human resources with ethical and moral values, while boosting their leadership qualities, research culture and innovative skills. For the purposes of affiliating, teaching and ensuring proper and systematic instruction, training and research in Modern System of Medicine, Homoeopathic System of Medicine, Ayurvedic System of Medicine, Unani System of Medicine, Nursing Education, Pharmacy Education, Dental Education, Education on Laboratory Technology, Physiotherapy, Speech Therapy and Education on other paramedical courses 'THE WEST BENGAL UNIVERSITY OF HEALTH SCIENCES ACT – 2002' was passed by the West Bengal Legislature and 'The West Bengal University of Health Sciences' came into existence on 1st January, 2003 at DD-36, Sector-1, Salt Lake, Kolkata-700 064. From 2003 the University took up the responsibility of Undergraduate, Postgraduate and Post-doctoral courses including the Ph.D programme in Modern System of Medicine, Homoeopathic System of Medicine, Ayurvedic System of Medicine, Unani System of Medicine, Nursing Education, Pharmacy Education, Dental Education, Physiotherapy, Speech Therapy and Education on other paramedical courses like Occupational Therapy and Prosthetics-Orthotics in the state of West Bengal. Before 2003, all medical teaching in West Bengal, both UG & PG were supervised by various State Universities which created enormous disparity in teaching & learning process, nature and standards of evaluation & recognition of graduates from different Universities. Under such circumstances, The West Bengal University of Health Sciences, Kolkata was born on 1st January 2003 for embodiment of higher education in the fields of medical sciences

ANNUAL REPORT 2022 SUMMARY

The West Bengal University of health sciences

Since 2003, the University has grown at a pace unparalleled to any other universities in the state. Presently, the University is conducting 147 courses in 235 affiliated Institutions & three constituent colleges namely, College of Medicine and Jawaharlal Nehru Memorial Hospital, University College of Nursing & College of Paramedical and Allied Health Sciences. There are more than 52,000 undergraduate & Post graduate students, more than hundred PhD awarded with one hundred fifty PhD scholars at present under this esteemed University.

Since September 2017 UGC approved accreditation of WBUHS in the list of universities under section 12-B of the UGC Act 1956.

The University took initiative in the process of complete Digitalization of entire academic activity of the University. The University also believes in Digital Health Care system and the main vision of both is to improve the academic excellence & to promote research activity under the aegis of the University. In the new academic session, 2023 the University will going to organize orientation programmes on application of Digital Solutions & Technologies in Health Care & Research and HACK-O-MED for digital transformation of Health care & Medicine involving the different institutions across the state.

The University percolate the essence of the Mentor Mentee Program among the different Colleges which is an essential component for a successful career as it bridges the gap between the faculty and students. Efficient and successful Mentoring provides students necessary emotional and instrumental support, optimum guidance, sufficient encouragement, better environment in college and motivates to do and live better. The official journal of University, “Journal of The West Bengal University of Health Sciences” is a quarterly multidisciplinary journal publishing the high quality articles on a regular basis. It is in the final stage of indexing and is a platform to all the faculty and students affiliated to the University to publish their research work.

The quote of Rabindranath Tagore that “The higher education is that which does not merely give us information but makes our life in harmony with our existence” is also the mission of the University

Achievements

The University took initiative in the process of complete Digitalization of entire academic activity of the University. The main vision is to improve the academic excellence & to promote research activity under the aegis of the University.

The following milestones have been covered so far in 2022 by the Health University:

1. Student scholarship Programme.

For the first time in 2022 student scholarship has been conduct by WBUHS. The notification was published on 08.03.2022. Total 56 candidates submitted the scholarship project. According to the marks distribution of supervisor's total UG-13 and PG-5 candidate were called for oral presentation on 05.08.2022 and 23.08.2022. According to the oral presentation marks distribution a final list has been prepared for 4 UG and 2 PG students. In the year 2023 we have proposed a programme for one time incentive for short term research project for two UG & one PG students from each domain to promote research activity in West Bengal.

ANNUAL REPORT 2022
SUMMARY

The West Bengal University of health sciences

2. Formation of domain based PhD Committee.

3. Preparation of PhD regulation 2023 in the light of UGC Regulation 2022 :

The following modifications are proposed in the current regulation:

- Exempted Category :
 1. GATE will be included in the exempted category.
 2. "Candidates who has an M. Phil degree and was admitted to the said program through a written test".
 - Duration of the Program :
 - a) PhD program shall be for a minimum duration of 3 years for full time and part time candidates including course work and a maximum of 6 years.
 - b) Women candidates and candidates with disability of more than 40 per cent may be allowed a relaxation of two years for PhD in the maximum duration.
 - c) Women candidates may be provided Maternity Leave/Child Care Leave once in the entire duration of PhD for a period up to 240 days.

However that the total period for completion of a PhD program in such cases should not exceed ten (10) years from the date of registration.

- Qualifying criteria in Entrance Test :
 - Entrance Examination will be comprising of - 100 MCQ (50% on Research Methodology & 50% on Specific Domain).
 - Duration of entrance test will be 1 hour 30 minutes with no negative marking.
 - Criteria for passing the examination is minimum 50% marks for General Category and 45% each for SC/ST/OBC (Non-Creamy layers)/Differently-able students and Economically Weaker Section(EWS). The successful candidates will have to appear for synopsis confirmation seminar.
 - Synopsis confirmation seminar will be the deciding factor for final selection of candidates. Maximum numbers of attempts for synopsis confirmation seminar are three.
- Allocation of Research Supervisor :
 - i. Any regular Professor affiliated to the University with at least five original research publications (*Publication as first, second, Corresponding author*) in peer-reviewed indexed journals as approved by the UGC/ concerned regulatory authorities as applicable.
 - ii. Any regular Associate/ Assistant Professor with PhD affiliated to the University with at least three original research publications (*Publication as first, second, Corresponding author*) in peer-reviewed indexed journals as approved by the UGC/ concerned regulatory authorities as applicable.
- Allocation of Co-Supervisor :
 - i. As mentioned above in 5a)
 - ii. Scientists on regular employment in State/Central Research Institutes (Scientist in Grade-D, E ,F & G) in the regular service in research laboratories of Central/State Government, located in the state of West Bengal with minimum of five publications (*Publication as first, second, Corresponding author*) in peer-reviewed indexed journals as approved by the UGC/ concerned regulatory authorities as applicable.
- PhD Supervisor :

ANNUAL REPORT 2022
SUMMARY

The West Bengal University of health sciences

- Faculty members with less than three years of service before superannuation shall not be allowed to take new research scholars.
- However, such faculty members can continue to supervise PhD scholars who are already registered until superannuation and as a co-supervisor after superannuation but not after attaining the age of 70 years.
- A Professor as Research Supervisor/Co-supervisor, at any given point of time, shall guide not more than eight PhD scholars. An Associate Professor as Research Supervisor shall guide up to a maximum of six PhD scholars and an Assistant Professor as Research Supervisor shall guide up to a maximum of four PhD scholars.
 - General Guidelines :
 - ❖ After completion of Course work the candidate must have to submit half-yearly progress report duly signed by supervisor, co-supervisor, Head of the Department & Head of the Institution.
 - ❖ The candidate must have to present their work annually in front of the PhD committee.
 - Cancellation of registration :
 - ❖ If the candidate fails to complete the coursework within the within first year of the registration.
 - ❖ In case the research scholar fails to submit 2 consecutive half-yearly progress reports or if 2 progress reports are Unsatisfactory, then the registration may be cancelled on the ground of non-compliance.
 - ❖ If the candidate does not appear in any annual presentation
 - ❖ If the candidate fails to complete a thesis and submit within the maximum stipulated period and fails to apply for an extension, registration will be automatically cancelled.

4. GCP programmes in different medical Colleges with collaboration with WBUHS

| Date | Venue |
